Dear Mr. Hack:

Your application is returned without action and without prejudice.

In your application, you have requested correction of your military record to show your retired rank as "SFC" instead of "SPC". After reviewing your military records, it contained records showing you retired in the rank of Sergeant First Class (SFC). I have enclosed copies of these records for your personal use. It is also noted that the National Archives and Records Administration responded to a FOIA request and your record contained two NA Forms 13164. The first NA Form 13164 shows your rank as SPC and the second NA Form 13164 shows your rank as SFC (copies enclosed). Therefore, the error was made at NPRC, which is not an issue within the purview of the ABCMR. It is suggested that you contact NPRC to have them correct the information. In addition, we recommend you provide the NPRC a copy of Letter Orders Number D-7-799 to show proof of your retired pay grade.

Since there is no apparent error or injustice in your available records that falls within the purview of the ABCMR there is no record to correct.

I trust this information is helpful.

Sincerely,

Klaus P. Schumann
Chief, Case Management Division
