Sergeant Hack:

On behalf of the Summit County Sheriff's Office, I want to thank you for your assistance with the deployment of deputies to assist Calcasieu Parish, Louisiana, in the aftermath of Hurricane Rita.

Your donation of supplies and equipment contributed greatly to the successful completion of this stressful mission. Even more than the equipment and supplies, your support and guidance will long be remembered by this office and, in particular, by the men and women who were deployed on this assignment. Because of your vast experience and your many contacts, you were able to make the preparation for this assignment much less difficult.

Many of the supplies that you provided were donated to the deputies and citizens of Calcasieu, Louisiana. We were able to make contact with the Oak Park food pantry churches of Lake Charles. This organization, composed of 7 churches of different faiths, was able to determine and make distribution of supplies to families that had the greatest needs.

Your ongoing devotion to the community makes you a very special person; a role model for all of us to follow!
